

MEETING MINUTES

**Senior Citizens Advisory Board & Nutrition Site Council
Special Joint Meeting
January 15, 2019**

1. **Call to Order/Roll Call:** Chair Hayes called the meeting to order at 10:04 a.m.
2. **PUBLIC COMMENT:** None.
3. **STUDY SESSION:**
 - a. Discussion Regarding Role of Nutrition Site Council and the Program It Supports

Wendy Mines, from the Nutrition Site Council, spoke. The funding and revenue sources are from the City, Trust Fund, and County. The City has a budget for capital improvements. The Trust Fund was a way for the Senior Center to raise revenue on their own. The non-profit Nutrition Site Council was formed as a support for the County programs and people in the community who couldn't afford classes, who couldn't afford to pay for things. Their Mission was clear that it was just to support the classes and programs for the Senior Center, not for the facility. They give the City approximately \$116,000 a year. They need input, suggestions, and support from the Advisory Board for what they need and what would enhance their programs and services.

Chair Hayes would like to bring thoughts back to Nutrition Site Council at another time.

Suggestion to reach other people to attract younger volunteers. Brewer said they have started to do this through trying to start a cycling club. Some Sunday dances are geared toward a younger style. Also through softball, pickle ball, and bocce ball.

Discussion about a reader board and using a new name that Center is for 50+ adults to attract new people.

Wendy Mines thought that both groups could partner with getting grants.

4. **ADJOURNMENT:** Meeting was adjourned at 11:00 a.m.
